

Public Service Announcement Scripts You Can Produce

PSA 1: "We can all win against COVID-19 by sheltering-in, social distancing, and abiding by stay-at-home or curfew directives. We are all in this together, and we will overcome this crisis. This message is brought to you by Native Public Media and this station."

PSA 2: "Reduce your risk and that of your families from COVID-19. Shelter-in, social distance, and wash your hands. We are all in this together. To learn more go to [CDC.gov](https://www.cdc.gov). This message is brought to you by Native Public Media and this station."

PSA 3: "To help prevent the spread of COVID-19, avoid or reduce your public exposure. To learn more, visit [CDC.gov](https://www.cdc.gov). This message is brought to you by Native Public Media and this station."

PSA 4: "To help prevent the spread of COVID-19, wear a mask in public. Cover your mouth and nose with a tissue when you cough or sneeze. Throw used tissue into a lined trash can and wash your hands often. To learn more, visit [CDC.gov](https://www.cdc.gov). This message is brought to you by Native Public Media and this station."

PSA 5: "Wash your hands to help prevent the spread of COVID-19. Use soap and water for at least 20 seconds. You can also clean your hands with 60% alcohol-based hand sanitizer. To learn more, go to [CDC.gov](https://www.cdc.gov). This message is brought to you by Native Public Media and this station."

PSA 6: "Keep our elders and yourself healthy and safe from COVID-19. Avoid touching your eyes, nose, and mouth with unwashed hands. To learn more, visit [CDC.gov](https://www.cdc.gov). This message is brought to you by Native Public Media and this station."

PSA 7: "To help prevent the spread of COVID-19, routinely clean high touch surfaces. These include counters, tabletops, doorknobs, bathroom fixtures, toilets, phones, keyboards, tablets, and bedside tables. To learn more, visit [CDC.gov](https://www.cdc.gov). This message is brought to you by Native Public Media and this station."

Broadcasters are encouraged to translate the PSAs into local Native languages.

NATIVE PUBLIC MEDIA

Strengthening and Expanding the Voice of Native America

PSA 8: "Protect yourself and your family from COVID-19. Do not share dishes, drinking glasses, cups, eating utensils, towels, or bedding with other people in your home who may be feeling ill. Wash each item thoroughly with soap and water. To learn more visit [CDC.gov](https://www.cdc.gov). This message is brought to you by Native Public Media and this station."

PSA 9: "If you need a doctor because of COVID-19, call your doctor or healthcare provider before seeking care and tell them that you may have COVID-19 or are being evaluated for COVID-19. This allows the health care center to prepare for your arrival. Learn more at [CDC.gov](https://www.cdc.gov). This message is brought to you by Native Public Media and this station."

PSA 10: "If you are visiting a hospital or health care center because of COVID-19, put on a face mask or cover your face before you enter the facility. These steps will help keep other people from getting infected or exposed. To learn more, visit [CDC.gov](https://www.cdc.gov). This message is brought to you by Native Public Media and this station."

Broadcasters are encouraged to translate the PSAs into local Native languages.
